

ALUMAWOOD

We understand that every home and homeowner has a unique style. Whether you're attaching a shaded area to your home, or building a free-standing private retreat, an Alumawood® shade structure has the design flexibility needed to make your vision a reality. Our shade structures give you:

Heavy header-beam construction

- **Richly textured wood finish**

Six popular designer colors

- **Durable Aluma-ShieldSM paint system for long-term gloss retention**
- **Fasteners in matching colors**
- **Recessed lighting system option by LightStrip®**
- **Four style options for beam and rafter end cuts.**

Alumawood flat pan, 2x6 wrap, tails, 3x8 beam, and standard post.

Alumawood flat pan, 2x6 wrap, no tails, 3x8 beam single, and standard post wraps.
